

VALUE PROPOSITION UN Global Compact Network Italy

VISIBILITY

Sharing and enhancing the commitment to sustainability of Italian members

BEST PRACTICES AND SKILLS

Skills development and training to progress on the path towards sustainability

NETWORKING AND PARTNERSHIP

Opportunities for meeting and dialogue between UNGC members and other national and international sustainability partners

Increase accountability and transparency of UNGC participants thanks to a clear reporting of sustainability progress

1. VISIBILITY

The possibility to enhance the commitment of your company through different channels of communication and the activities:

- Global Compact Network Italy website
- Italian Business&SDGs Web Gallery
- Events and webinars
- Newsletter and “GCNI Advisor”
- Press Office

DIRITTI UMANI **LAVORO** **AMBIENTE** **ANTI-CORRUZIONE**

2. BEST PRACTICES AND SKILLS

Through continuous sharing of best practices, tools and training activities, companies can maximize their sustainability journey.

- Working groups
- Collective actions
- Management systems
- Workshops and training
- Peer learning groups

3. NETWORKING AND PARTNERSHIP

The possibility of creating spaces for dialogue and belonging to a network of multi-stakeholder relationships involving academia, civil society, institutions and other companies, which can foster future synergies for companies.
